**Putlocker is no longer operational, but the websites like Putlocker are here to quench your thirst for the best entertainment.**

Back in 2011, Putlocker took the world by storm with free media streaming. It allowed ardent binge-watchers to stream their favorite shows and television series without burning a hole in their pockets. However, various legal issues leading to Putlocker's shutdown brought utter disappointment to many users across the globe. Some users found the best Putlocker alternatives for uninterrupted entertainment, whereas several others are still looking for them.

Are you also one of those users searching for Putlocker alternative sites to get their free daily dose of entertainment? If yes, this article will be your favorite read for the day.

Through this write-up, we bring you the best sites similar to Putlocker (perhaps, even better than it), curated after diving deep into the world of streaming sites. Let us begin with them without further ado.

### **Use NordVPN for Unlimited Streaming of Geo-Restricted Content Worldwide (Recommended)**

Want to unblock geo-restricted streaming sites (Netflix, Amazon Prime, Disney+, etc.) to binge-watch your favorite shows online? Then, get NordVPN now and enjoy exploring the internet without any borders! This globally renowned virtual private network service provider not only lets you enjoy your favorite content away from home but also helps protect your data, encrypt internet connection, mask IP address, block annoying ads, etc.

What's more? You can try the user-friendly NordVPN application on all major operating systems: Windows, macOS, Linux, Android, iOS, Android TV, Chrome, Firefox, and other platforms.
